

Curriculum Vitae

Robert P. Lennon, MD, JD, FAAFP

CURRENT POSITION Associate Professor, Department of Family and Community Medicine

Penn State Health Milton S. Hershey Medical Center

Affiliate Faculty, Penn State Law

CONTACT 500 University Drive, Hershey PA 17033

(717) 531-0003x284628, rlennon@pennstatehealth.psu.edu

EDUCATION

1993 BA (chemistry), University of Wisconsin, Madison

1997 JD, University of Wisconsin

2009 MD, Uniformed Services University of the Health Sciences (USUHS)

POST-GRADUATE EDUCATION

2009 – 2012 Family Medicine Residency, Naval Hospital Jacksonville, FL

CERTIFICATION

2012 Board Certification, Family Medicine

LICENSURES

1997 Wisconsin License to Practice Law (inactive)

2011 Unrestricted Medical License, North Carolina (active)

2013 Military Auricular Acupuncture Certification (active)

2013 Executive Medicine, US Navy Additional Qualification Designation (active)

2019 Unrestricted Medical License, Pennsylvania (active)

2019 Unrestricted Medical License, Wisconsin (active)

UNITED STATES NAVAL SERVICE

2005 Ensign (ENS), Assistant Division Officer, Newport, RI

2005 – 2009 ENS, Medical Student, Bethesda, MD

2009 – 2012 Lieutenant (LT), Resident, Jacksonville, FL

2012 LT, Staff Physician, Jacksonville, FL

2012 – 2015 LT, Staff Physician, Okinawa, Japan

2014 – 2015 LT, Department Head, Okinawa, Japan

2014 – 2015 LT, Senior Medical Officer for Branch Clinics, Okinawa, Japan

2015 – 2019 Lieutenant Commander (LCDR), Residency Faculty, Jacksonville, FL

2016 – 2017 LCDR, Medical Officer in Charge, Operation Continuing Promise, SOUTHCOM

2017 LCDR, Staff Physician, Operation Brazilian Riverine Medicine, Manaus, Brazil

2019 LCDR, Mission Leader, Operation Brazilian Riverine Medicine, Manaus, Brazil

2019 Selection for Commander, Honorable Discharge

EMPLOYMENT HISTORY

Academic Appointments

2019 - Present Associate Professor, Department of Family and Community Medicine, Penn State
Health Milton S. Hershey Medical Center

2020 - Present Affiliate Faculty, Penn State Law

2013 - 2019 Assistant Professor, Department of Family Medicine, USUHS

2002 – 2005 Faculty Assistant, Chemistry Department, University of Wisconsin

1997 – 1998 Faculty Assistant, Chemistry Department, University of Wisconsin

1993 – 1994 Research and Faculty Assistant, Chemistry Department, University of Wisconsin

Other Employment

- 2005 – 2019 United States Navy
- 2001 – 2002 Owner, R Squared Management LLC, Tampa, FL – Developed two franchise pizza restaurants
- 1998 – 2001 Financial Advisor, Hiring Manager, Training Manager, American Express Financial Advisors, Tampa FL
- 1997 – 1998 Attorney, Lennon Legal Research, Madison, WI

MEMBERSHIPS AND AWARDS

Professional Society Memberships

- 2019 – North American Primary Care Research Group, Member
- 2016 – American Academy of Family Physicians, Fellow
- 2013 – Society of Teachers of Family Medicine (STFM), Member
- 2008 – American Academy of Family Physicians, Member
- 2019 – Present, Pennsylvania Academy of Family Physicians, Member
- 2019 – Present, Uniformed Services Academy of Family Physicians (USAFP),
Adjunct Member
- 2008 – 2019, USAFP, Member
- 2018 – 2019 USAFP, Chair, Constitution, Bylaws and Strategic Charter
Committee
- 2012 – 2017 USAFP, Constitution, Bylaws and Strategic Charter
Committee
- 1997 – Wisconsin State Bar Association

Awards

- 1994 Three Year Partial Academic Scholarship, University of Wisconsin Law School.
- 1996 Dean's List, University of Wisconsin Law School.
- 1999 Rookie of the Year, West Florida Market Group, American Express Financial Advisors.
- 2009 Academic Awards for Epidemiology and Biometrics, Human Psychology, Human Context, Military Studies II, and Human Behavior, USUHS.
- 2010 First Place, Resident Research Competition, USAFP annual conference.
- 2012 USUHS Family Medicine 1 month Faculty Development Mini-Fellowship award.
- 2012 Navy Commendation Medal, US Navy for contributions to Naval Service during Residency.
- 2013 Letter of Appreciation from Danielle Carter, MD, St. Vincent's Family Medicine Program. Their six poster presentations including the national winner at the American College of Osteopathic Family Physicians National Conference were a product of the "How to Write a Case Report" workshop.
- 2013 First Place, Resident Research Competition, USAFP annual conference.
- 2014 Best Poster Award, Australasian Military Medical Conference.
- 2014 Certificate of Commendation for being recognized as Naval Hospital Okinawa's Medical Officer of the Quarter.
- 2015 Special Recognition Award, WONCA Taiwan Medical Conference.
- 2015 USUHS Graduate School of Nursing Command Coin in appreciation of opening Naval Hospital Okinawa as a clinical nursing student site.
- 2015 Navy Commendation Medal, US Navy, for superior performance during Okinawa tour.
- 2017 Honorary Diploma, Centro Universitario de Izabal, Guatemala.
- 2017 Second Place, Resident Research Competition, USAFP annual conference.
- 2017 Third Place, Staff Research Competition, USAFP annual conference.
- 2017 Culture of Safety award, Naval Hospital Jacksonville.
- 2017 Health Care Hero award, Jacksonville Business Journal.
- 2017 Fourth Fleet Command coin from Rear Admiral Sean Buck in appreciation for superior performance as Medical Officer in Charge, Operation Continuing Promise 2017.
- 2017 Guatemala Service Appreciation Medallion presented by Major General Juan Manuel Ramirez, Chief of Staff of the [Guatemalan] National Defense.

- 2017 Navy Commendation Medal, US Navy, for superior leadership during Operation Continuing Promise 2017.
- 2018 First Place, Resident Research Competition, USAFP annual conference.
- 2018 Culture of Safety award, Naval Hospital Jacksonville.
- 2018 Humanitarian Service Medal, US Navy, for services during Hurricane Hugo.
- 2019 First Place, Southeast Regional Research Symposium.
- 2019 Meritorious Service Medal, US Navy, for extraordinary service through tour in Jacksonville.

CLINICAL SERVICE

2019 – Attending Physician, outpatient medicine. 0.1 FTE personal panel, 0.05 FTE resident / student precepting.

2015 – 2019 Attending Faculty, Naval Hospital Jacksonville. Full scope personal panel 0.4 FTE; outpatient resident precepting 0.4 FTE; inpatient service attending supervising resident team for adult, pediatric and obstetric services, 0.1 FTE.

2012 – 2015 Staff Physician, Naval Hospital Okinawa, Japan. Full scope personal panel, 0.4 – 0.8 FTE (varied with administrative roles); managed inpatient adult medicine, pediatric and obstetric services, 0.1 FTE.

2012 Staff Physician, Naval Hospital Jacksonville. Full scope personal panel 0.4 FTE; outpatient resident precepting 0.4 FTE; inpatient service supervising resident team for adult, pediatric and obstetric services, 0.1 FTE. (This was a two month stach between residency and Okinawa to accommodate colocation.)

ADMINITRATIVE SERVICES

Penn State Health

2019 – Member, Department of Family and Community Medicine internal scientific review committee

2019 – Global Health Engagement Project, Brazil. In conjunction with the Global Health Center, actively developing medical student, resident and faculty opportunities to pursue

research and clinical experiences in Brazil through collaboration with University of São Paulo and the Brazilian Navy.

- 2019 Visiting Scholar, Matheus Polly. As part of the Global Health Engagement Project, arranged and funded Dr. Matheus Polly to spend November, 2019 at Penn State Health as a visiting scholar, leading to two presentations and a collaborative research effort evaluating primary care data from the Amazonas region.

Naval Hospital Jacksonville

- 2019 Mission Leader, Operation Brazilian Riverine Medicine

Led 4 US physicians on joint U.S.-Brazilian mission providing health care to Amazon riverine population aboard the Brazilian Navy hospital ship NAsH Carlos Chagas.

Successfully tested novel humanitarian mission capacity building through training point of care ultrasound and asynchronous telemedicine using commercial social media application in remote settings.

- 2017 – 2018 Chair, Quality Improvement Subcommittee

Served as a catalyst for improving quality of care and patient safety at Naval Hospital Jacksonville. Reviewed and analyzed Patient Safety Report activities, risk management activities, ORYX data, sentinel events and Root Cause Analysis recommendations, Litigation Reports and Potentially Compensable Events. Monitor and oversee compliance with pertinent Joint Commission Standards. Served as voting member of the Medical Executive Committee and the Quality Council.

- 2017 – 2018 Member, Medical Executive Committee

- 2017 – 2018 Member, Quality Council

- 2016 – 2019 Member, Healthcare Ethics Committee

2017 Family Medicine Liaison, Operation Brazilian Riverine Medicine

Coordinated primary care of Amazon riverine population with team of U.S. and Brazilian physicians aboard the Brazilian Navy hospital ship NAsH Soares de Meirelles for month-long mission. Established foundation for ongoing bilateral provision of care, research and knowledge exchange.

2016 – 2017 Medical Officer in Charge, Operation Continuing Promise 2017

Led a joint 80-person multinational team on this medical humanitarian mission to Central and South America. Successfully integrated U.S., host nation, and non-governmental organization providers to build host nation capacity, deliver 23,601 patient encounters, and coordinate medical donations worth \$2,255,511. Conducted pre-deployment site surveys, developed relationships with the host nation, acquired, reviewed and approved credentialing for all medical personnel, supervised validation of all medical, surgical and dental Authorized Medical Allowance Lists. Reported directly to the Commodore, Destroyer Squadron Four Zero. This mission was the first of its type to:

- place an entire treatment facility ashore from a seaborne platform that has no organic medical capability.
- utilize specially trained corpsmen to provide direct patient care.
- utilize the WEBMAARS planning, assessments and accountability tools.

From planning through execution was integrally involved in making this mission successful and creating the future doctrine of the United States Navy's new approach to seaborne medical support of Humanitarian and Disaster Relief in the Western Hemisphere.

2016 – 2017 Member, Osteoarthritis Value Based Care Initiative

2015 – 2016 USUHS Medical Student Site Coordinator

2015 – 2016 Division Officer, Red Team Family Medicine Department

Led 14 physicians, 2 nurses, 10 corpsman and 7 civilian support staff to excellence in the provision of care to 5,000 beneficiaries.

2011 – 2012 Resident Research Coordinator

Systematized a novel method of promoting resident research that increased resident research participation 7-fold and resident research output 13-fold.

2010 – 2011 Member, Resident Action Committee

2009 – 2012 Member, Bioethics Committee

Naval Hospital Okinawa

2014 – 2015 Senior Medical Officer, Branch Clinics, Naval Hospital Okinawa

Provided clinical oversight of 3 branch clinics and credentialing oversight for 20 Marine Medical physicians and independent duty corpsmen.

Assisted developing the Bush Clinic Marine Centered Medical Home – the first Marine Centered Medical Home in the U.S. Navy.

2014 – 2015 Department Head, Bush Clinic, Naval Hospital Okinawa

Led this 4,200 patient, four-provider clinic to excellence in:

Obtaining Bush Clinic’s first-ever NCQA qualification.

Maintaining the highest level of access to care and primary care manager continuity across all clinics on Okinawa.

Maintaining the highest level of RelayHealth enrollment of any clinic on Okinawa.

Maintaining the highest patient satisfaction (BUMED Monitor) of any primary care clinic on Okinawa.

Obtaining Bush Clinic’s first-ever Blue H and Blue H “Gold” awards.

Decreasing Emergency Department Utilization by Bush Clinic enrollees by 30%.

Maintaining the highest HEDIS metrics within Naval Hospital Okinawa, which reached #1 Navy-wide for HEDIS metrics.

2014 – 2015 Medical Home Port Champion

Integrated changes across all primary care departments to maximize outpatient efficiency yielding increased patient access and decreased emergency department utilization. Led our military treatment facility (MTF) to become a recognized leader in RelayHealth,

HEDIS and access to care. RelayHealth initiative was adopted by Navy Medicine West for implementation across the region. PCM continuity increased from 49% to 72% across the MTF. HEDIS reached #1 Navy-wide and consistently ranked top ten Navy-wide.

2014 – 2015 Medical Student Coordinator

Facilitated Memorandum of Understanding with USUHS allowing medical and nursing students to complete clinical rotations at Naval Hospital Okinawa, and assisted staff members in obtaining professorships through USUHS medical and nursing schools.

2013 – 2014 Chair, Healthcare Ethics Committee

Streamlined the Ethics Consultation process, integrated ethics cases and education into the Command intranet and developed Ethics Grand Rounds, offering Continuing Medical Education lectures to medical staff.

2013 – 2014 Member, Executive Committee of Medical Staff

2013 – 2015 Brig Medical Officer

Supervised provision of care to Active Duty personnel confined to the Brig and also to Status of Forces Agreement civilians confined to Japanese Prison.

COMMUNITY SERVICE ACTIVITIES

2019 Media relations; Family Medicine advocacy in the “What is Family Medicine” television show, ABC.

TEACHING ACTIVITIES

Penn State University

Family Medicine Residents

2019 – Academic lectures in didactic sessions and direct research mentorship for this 8/8/8 residency. 5hr/yr.

Medical Students, MS1-MS4

2019 – Clinical teacher, Family medicine Clerkship. 10 students, 10 hr/yr.

2019 – Global Health Mentor, facilitating medical student participation in educational exchange between Penn State College of Medicine and University of São Paulo School of Medicine. 30hr/yr.

Naval Hospital Jacksonville

Family Medicine Residents

2015 – 2019 Academic lectures in morning report and didactic sessions for this 13/13/13 residency. 5hr/yr.

Medical Students – MS3 and MS4, Naval Hospital Jacksonville

2015 – 2019 Lecturer and clinical teacher, Family Medicine Clerkship. 30 students, 10 hr/year.

Medical Students – MS1, USUHS

2006 – 2012 Panelist, Human Context. Presented multiple sessions designed to improve integration of the psychosocial aspect of the biopsychosocial model in the context of the doctor-patient relationship. 150 students, 2hr/year.

2009 Teaching assistant, human anatomy lab. Taught 1 month, 4 student MS1 section in human anatomy.

Undergraduates, University of Wisconsin, Madison

1993 – 2005 Research Assistant, Teaching Assistant, Faculty Assistant, Instructor of the Enrichment Program for Underprivileged Youth, MCAT Preparatory Instructor, Assistant Laboratory Director for Undergraduate Chemistry Laboratories.

- 30 students/ introductory chemistry, 2-4 sections per semester. 15hr/week.
- Created and taught the University of Wisconsin's first MCAT preparatory course. 15 students, 25 hr/year.
- Managed laboratory implementation, staffing and safety of 24 professors, 120 graduate students and over 5,000 undergraduate students per semester.

MENTORSHIP ACTIVITIES

- 2011 – 2015 Anna Oberhofer, Family Medicine Resident and junior faculty, 15hr/year, Naval Hospital Jacksonville
- 2011 – Jason Croad, Family Medicine Resident, junior staff physician, faculty physician 10hr/year, Naval Hospital Jacksonville, Naval Hospital Okinawa, Penn State Health
- 2015 – 2019 Job Larson, Family Medicine Resident, 10hr/year, Naval Hospital Jacksonville
- 2016 – 2017 Dan Kuckel, Family Medicine Resident, 10hr/year, Naval Hospital Jacksonville
- 2017 – John Sullivan, Family Medicine Resident 10hr/year, Naval Hospital Jacksonville
- 2018 – Kirsten Winnie, junior faculty 8hr/year, David Grant USAF Medical Center
- 2019 – Matheus Polly, Infectious Disease Resident, 10hr/year, University of São Paulo and Penn State University
- 2019 – Curtis Bone, junior faculty 20hr/year, Penn State Health

GRANT SUPPORT

Active Grants

Social Science Research Institute at Penn State, (PI: Lennon) 3/2020 – 5/2021

Huck Institute of the Life Sciences #7601 Funds awarded: \$50,000

Department of Family and Community Medicine (DFCM), + \$50,000 DCFM match

Pennsylvania State College of Medicine

Role: Principal Investigator

COVID-19 Health messaging efficacy in healthcare workers

Goal: To investigate the extent to which healthcare workers during the COVID-19 epidemic understand current institutional, national, and international recommendations regarding COVID-19.

Penn State Strategic Initiatives #012020 (PI: Lennon, Gowda) 7/2020 – 12/2020

SPARC – Stimulating Partnerships Among Researchers and Clinicians

Role: Co-Principal Investigator Funds awarded: \$18,104

Interdisciplinary partnership to develop translational research in topical reducing agents to reduce reactive oxygen species on skin.

Goal: To build a translational team to investigate biologically friendly topical reducing agents to reduce skin reactive oxygen species.

Department of Family and Community Medicine (PI: Lennon) 1/2020 – 12/2020
Pennsylvania State College of Medicine, #022020

Role: Principal Investigator Funds awarded: \$50,000

Osteopathic manipulative techniques for the treatment of chronic migraine headaches

Goal: To determine the feasibility of studying osteopathic manipulative techniques for the treatment of chronic migraine headaches at Penn State Hershey.

USAFP #18LG-1 (PI: Lennon) 7/2018 – 7/2020

Uniformed Services Academy of Family Physicians

Role: Principal Investigator Funds awarded: \$5,906

Portability of Curricular Changes to Increase Resident Research

Goal: To determine the extent to which curriculum changes that led to large, sustained increases in resident scholarly activity at Naval Hospital Jacksonville Family Medicine Residency Program are portable to other sites.

PCORI OPD-1601-33860 (PI: Zgierksa) 1/2017 – 12/2021

The Patient-Centered Outcomes Research Institute

Role: Co-investigator Funds awarded: \$8,430,231

Comparative effectiveness randomized controlled trial of mindfulness meditation versus cognitive behavioral therapy for opioid-treated chronic low back pain

Goal: To compare the effectiveness of mindfulness meditation and cognitive behavioral therapy in improving patient-reported outcomes in opioid-treated chronic low back pain through a randomized controlled trial, conducted at three sites: Wisconsin (PI: Zgierska, University of Wisconsin), Massachusetts (site PI: Edwards, Harvard University), Utah (site PI: Garland, University of Utah).

Completed Grants

ABFM internal grant (PI: Martin) 7/2013 – 6/2019

Role: Site Associate Investigator

Family Medicine Length of Training Pilot Project

Goal: To examine whether extending the length of family medicine residency programs from 3 to 4 years impacts the quality of education and performance of graduates. My role in this project was to write the Accreditation Council for Graduate Medical Education application for four year family medicine slots at five US Navy Family Medicine Residency Programs (approved, 2012.) Later as Faculty at Naval Hospital Jacksonville I was a site AI for the project, and mentored the four-year residents in developing their curriculum (2015-2019).

DoD #W81XWH-1-2-0030 (PI: Pepine) 2/2018 – 12/2022

Role: Site Associate Investigator Funds awarded: \$14,927,828

Women's IschemiA TRial to Reduce Events In Non-ObstRuctive CAD (WARRIOR) (Clinical Trials.gov identifier NCT03417388.)

Goal: To determine whether medication treatment to address risk factors and vascular function in women experiencing cardiac symptoms with no flow obstruction would reduce incidence of outcomes such as death, heart attack or stroke. My role was to establish Naval Hospital Jacksonville as a trial site. I was involved between 2018-2019, and coordinated development of the site including local IRB approval, methodology to find patients through the military electronic health record, approval to use Family Medicine clinic spaces and identify participating clinicians to oversee out site's participation in this University of Florida project.
